Blaine County Education Foundation Nominated for Annual Nonprofit Excellence Award

Blaine County, ID – More than 100 organizations have been nominated across Idaho for the Idaho Nonprofit Center's Excellence Award.

"We are pleased with the response from the community and impressed with the many moving stories in the 2014 nominations," said Janice Fulkerson, Executive Director of the Idaho Nonprofit Center, which organized the awards. "We know that nonprofits make a difference in communities across Idaho every day and these awards recognize the contribution of the nonprofit sector."

Blaine County Education Foundation (BCEF) is honored to be one of the organizations nominated in the statewide program. The Idaho Nonprofit Center will be recognized at the Nonprofit Excellence Awards Dinner on September 23rd during the Idaho Nonprofit Center's annual conference. Six (6) of the organizations will be honored with 2014 Nonprofit Excellence Award.

Our mission at BCEF is to focus community resources and raise funds for the Blaine County School District, promoting academic excellence, equitable education and a healthy and sustainable student environment. We are proud to be the only organization in Blaine County solely dedicated to supporting all schools in the Blaine County School District. We provide emergency financial assistance to students in need, mini grants to teachers for classroom improvements and professional development, and scholarships to graduating seniors.
